June - National Dairy Month

Each year June is designated as "Dairy Month," to give emphasis, nationally, to the importance of milk and milk products such as cheese, ice cream, and butter in the diet. These foods are rich in calcium, the mineral our bodies use to keep teeth and bones in good condition, and other health giving elements.

How we look and feel, what we are able to do and what we will be able to do in the evening of life, depend to a large extent upon the foods we eat. The food we eat from day to day furnishes our bodies with energy and keeps bones, tissues and muscles healthy. If we eat the right foods in the right amounts each day, we will all enjoy more radiant health. Not one food alone can do it all. Only by including all of the necessary foods in our daily meals can we be assured of adequate diets.

Milk is one of the esential foods. What milk contributes generally, cannot be replaced by any one food nor by the combination of most foods. Milk contains an average of 13 per cent food solids, comprised of high quality protein; nearly a dozen important minerals; many of the vitamins known to be essential to man; milk fat and milk sugar. Vitamins are needed for good health, for growth and for resistance to disease.

Calcium, the mineral abundant in whole milk is needed by children to grow bones and teeth and by adults for maintenance of bones and teeth. Both children and adults need calcium for other body functions, such as normal clotting of blood, muscle contruction and nerve stability. Protein builds muscles and tissues for children and belongs to the maintenance department for adults.

Milk is one of the oldest foods of the human race. The early colonists in the new world recognized the value of milk. The first dairy cows to reach America arrived at Jamestown Colony in 1611. The food value of milk was taken for granted by these brave colonists. Today the time honored confidence in this food is upheld by scientific research. Surveys show that more families use milk than any other single food. Seven out every ten homemakers say they would cut down on other foods before they would reduce the family milk supply.

Most rural homemakers know that milk is perishable. However, they need to be reminded of the importance of chilling milk as soon te it comes from the barn. It can be contaminated easily. Now that hot weather is here again, we should use every caution in caring not only for the milk, but for milk pans and other containers. Where milk separators are used, they should be thoroughly cleaned and scalded after each use. Keep them in the sun when possible to keep them sweet.

Government regulations require that all dairy cows be tested from time to time to insure good health. This law, however, does not affect individual farmers having one or two cows for their own personal milk supply. While regulations are enforced for the protection of the purity of milk sold to urban homemakers, it is up to the rural homemaker to see that the milk supply for her own family is pure.

Milk should be kept cold and covered. It should be taken care of as soon as it is received. In the case of milk delivered to the home, the container should be wiped with a clean damp cloth. It should then be stored in the coldest part of the refrigerator at about 40 degrees F. to protect flavor and food value. If the milk cannot be kept cold, it should be used as quickly as possible.

Wheat Farmers Allotments

Farmers on land on which no wheat was seeded for grain for any of the years 1955, 1956, and 1957 may apply for a 1958 wheat acreage allotment, according to C. D. Lewis, Chairman of the Appomattox County Agricultural Stabilization and Conservation Committee. To be considered for an allotment on a farm which had no wheat seeded for any of those years, the farmer must submit a request to the county ASC committee by July 1, 1957. Blank application forms are available at the ASC county office for use in filing requests for allotments.

CHURCH PICNIC

Food, fun and fellowship will be the highlights of the picnic sponsored by the Sunday School of the Hebron Baptist Church on July 6, at the church recreation area.

Members of the Sunday School, church, and their friends are invited to attend this picnic. Each family will bring a picnic supper to be placed together with that of their neighbors on large tables. Lemonade will be furnished by the Sunday School.

Games are being planned for both young and old. Those attending may come as early on Saturday afternoon as they desire and enjoy the fun and fellowship of games and conversation. Supper bill begin about seven o'clock.

The pastor, who has been out of the community attending the Rural Minister's Summer School at V. P. I, during the week, is expected to return in time for the picnic on Saturday July 6.

NO PLACE TO REST

Indianapolis, Ind.- Returning home after spending 48 days in jail, Manuel Bond had visions of the restful bourn he would spend in his favorite easy chair. Imagine his surprise when he reached home, to find there was no home, and consequentially, no easy chair. Unable to locate Bond, it seems the Indianapolis Redevelopment Commission had to go ahead and tear his house down for a slum clearance project.

Frank McCann Commander Legion Post

American Legion Post 104 nominated the following officers for 1957-58 at a regular meting which was held at the Legion Hall Monday, June 24:

Commander, Frank McCann
First Vice Commander, Eames A. Powers
Second Vice Commander, Clifford Harvey
Adjutant, Emile T. Bruce
Sgt. at Arms, T. C. Harvey, Jr.
Historian, Kenneth Christopher
Chaplain, Rev. L. P. Brown
Service Officer, Dr. S. R. Lawson.

These officers will be installed at the July meeting, at which time the annual banquet will be held.

Local Boys Attend FFA Rally

Ten boys from the Appomattox Chapter of the Future Farmers of America attended the State FFA Rally at Blacksburg. Among them were Ralph Inge, Jack Henry and Luther Reynolds, who represented the chapter in crop judging. These boys placed 2nd in the state in the first contest and in the final run off contest the team placed fourth in Virginia.

Dennis Torrence, Glenn Miller and Jack Tibbs represented the chapter in the dairy judging, placing 20th in the state. Dennis Torrence was among the high ten individuals in dairy judging, with a score of 259 out of a possible 350. Kinckel Martin received $20.00 for having an outstanding forestry project. Others who attended and received the highest award the FFA gives, the State Farmer key, were Frank Inge, Fred Caldwell and Richard Krantz.

Next Week Shaping Up As Vacation Week in Appomattox

The week of July 4 seems to be shaping up as a mass vacation week in and around Appomattox.

Some 350 workers at the Appomattox Garment Company's Division I here will be on vacation all next week, as well as the employees of Divisions II and III of the Company at Lynchburg and Altavista. Many of these workers, with their families, will embark on vacation trips and thus be out of town for the week.

This company will grant a second week's vacation in September.

Many employees of the Virginia Novelty Co. will also take the 4th of July week as a vacation period.

On top of that, it seems to be catching on for this particular week to be vacation time, and we have heard of many families planning to work in a vacation during the coming week. Virginia Beach, and other resort areas will be the destination of many, but hear of plans of others to take only a short trip and then catch up on home chores.

July 4 will be a legal holiday and traditionally most business places will be closed for the day.

The Times-Virginian will publish on regular schedule next week but all correspondents and advertisers are requested to have copy in the office by Tuesday noon.

Recreation Program Has New Activities

The Recreation Program began June 17, and after a week of playing the teams have been organized into a Little League of baseball teams and a High School Basketball League. A Red Cross swimming Course is also being held at Holiday Lake.

Any parent wishing to enter a child in any of these programs may call Coach Gordon Bragg at 2047 and receive all needed information.

In the Little League, baseball games are played each morning at the Appomattox High School playground. During the summer, games will be arranged with other Little League teams in this area.

Three games have already been played in the High School Basketball League. These games are played in the high school gymnasium at 6:30 P. M. on Monday and Wednesday nights. Spencer's team in the league is undefeated after three games.

Captains of the four basketball teams are: Toots Carter, Leon Edmunds, Freddie Mitchell and Sandy Burks.

The swimming classes are being held at Holliday Lake on Mondays, Tuesdays and Thursdays o f each week. The classes, with the number enrolled in each are: Pre-beginners, 18; Beginners, 25; Intermediates, 22; Swimmer, 15; Junior and Senior Life Saving, 7.

Evergreen Ruritans Had Picnic Dinner

The Evergreen Ruritan Club held its regular monthly meeting on Friday evening, June 21, at 7:30 o'clock. An outdoor meal was served on picnic grounds near the Evergreen school. Food was prepared by Ryland Staples and Melvin Grishaw.

Last week the members of the club built an Outdoor Cooker, and one large picnic table for the picnic area. Other tables are being made and the area should be completed in the near future.

The club thanks Z. E. Cheatham as well as those who contributed in any way.

The club plans to have a Ladies Night August 16 at 7:30 P. M. Hot dogs and hamburgers, along with a covered dish supper will be served on the picnic grounds.

Any group desiring to use picnic facilities may contact Z. E. Cheatham or H. C. Staples.

Lions Club Ladies Night

Thursday, June 27, will be "Ladies Night" at the Lions Club of Appomattox. The club will meet in the American Legion Building at 6:45 P. M. Program features include installation of new officers, award of 100% attendance pins, and special music.

Lawson Driskill, Past International Director, is scheduled to install the new officers. J. H. Lucado, attendance chairman, urges each member to attend and to bring one or more guests. "Attendance during the past month has averaged 93%, but we can do better," he says.

4-H BOYS RECEIVE SWINE AWARDS

Awards were made to the five boys who conducted a sponsored Swine Project this week. Receiving awards in order of placing were Jimmy Martin, R. W. Wells, Jr.; E. B. Drinkard, James Phelps and R. T. Mangrinson, Jr.

Five gilts farrowed 4-H pigs and 40 weaned. Projects were scored twice, once during the fall, and again after farrowing.

Those conducting the project next year are Samuel Bryant, James Casey, J. R. Mangrinson, Jr.; Cecil Deaner and L. C. Reynolds, Jr., all of the Vera 4-H Club.

CHARLES W. ORANGE

Funeral services for Charles Willie Orange, 61, who died unexpectedly at his home near Pamplin on June 19, were held June 21 at the Evergreen Methodist Church. Interment was in Evergreen Cemetery.

Born in Prince Edward County, he was the son of the late Scott and Alice Orange. He was the last member of his immediate family.

The U. S. exhibit at the international fair in Poznan, Poland, was a huge success, despite Communist newspaper attacks on it as a vulgar display of wealth.

Abbitt Bill On Type 21 Gets Approval

The U. S. Senate gave approval Tuesday to Rep. W. M. Abbitt's bill to create a separate quota class for Virginia darkleaf tobacco Type 21. The Abbitt bill passed in the Senate by unanimous consent at 2:07 P. M. Tuesday, and thus will go to President Eisenhower for his signature, having previously passed the House. The President has ten days in which to sign or veto the bill. Rep. Abbitt is confident that the bill will be signed, especially in the light of the fact that it passed both houses unanimously, and has not been opposed by the Agriculture Department.

If signed, the bill would become effective with 1958 allotments.

Type 21 has previously been grouped with Types 22 and 23. The Abbitt bill would make Type 21 into a separate class, with quotas based on demand for Type 21 alone. The bill also guarantees in the future the support price on Type 21 will be not less than the 1957 support price, which was about -2 above the 1956 support.

It is the opinion of tobacco experts that the Abbitt bill will help to win back much of the export demand for Virginia darkleaf tobacco.

GOLF TOURNAMENT AT LOCAL COURSE

Joey George announced this week that a golf tournament would begin July 1 at the Appomattox Mineture Golf Course. Anyone can enter the tournament. A small trophy will be given to the individual with the best score at the end of each month. A larger trophy will be given for the best season score.

Abbitt Named Lions Deputy

George F. Abbitt Jr., has been named Deputy District Governor by the Lions Clubs of this district. The Appomattox Club is in District 24 of Lions International. Mr. Abbitt recently attended the State Lions Club convention held in Roanoke. Others from here attending the convention were Ed Dickerson, R. A. Sears and J. A. Smith.

SERVICES THIS SUNDAY AT HEBRON BAPTIST

The Rev. Gordon T. Mason will be the guest minister for services at the Hebron Baptist Church on Sunday morning, June 30. Mr. Mason is a native of Lynchburg, and has served as a Baptist minister in Virginia for a number of years. He will lead the services in the absence of the pastor, the Rev. Collie E. Eock, who will be leading revival services at the Novum Baptist Church in Culpeper County, Virginia.

A special offering will be taken on Sunday morning for the Building Fund of Hebron Baptist Church. This special offering is received each fifth Sunday.

The Appomattox and Pamplin Canneries will open for the 1957 season on July 1. Opening hours will be 8:00 A. M., and the cannery will close at 5:00 P. M. Each patron is expected to furnish towels, salt and pans. Tin cans will be furnished at the cannery. The cannery will operate each week day after July 1, except on legal holidays.

Last year the Appomattox Cannery canned the Equivalent No. 2 Cans of 96,410 cans and processed over 7,000 pounds of lard and 4,000 pounds of meat.

The Pamplin Cannery processed over 62,000 cans of food, this is Equivalent No. 2 Cans, and processed over 7,000 pounds of meat and lard.

The Bureau of Human Nutrition and Home Economics, USDA, recommends about 250 number 2 cans of vegetables and 188 number 3 cans of fruits be canned for a family of four. In addition, about 100 pounds of meat should be put up for each person in the family. These amounts, of course, are only guides, for each family's tastes, needs, and gardens will vary.

The two canneries are expected to be crowded the first three weeks in August, so to many it will be of convenience to do as much canning as possible during the month of July. Patrons who follow instructions may expect to carry home high quality canned foods.

The Community Canneries are operated by the County School Board for the purpose of instruction in the production and conservation of foods. The local canneries are operated under the supervision of the local Vocational Agriculture Department of the county.

Deadline For Social Security Applications

James W. Dinwiddie, Manager of the Lynchburg, Virginia, District Office of the Social Security Administration, has advised that he will keep his office open from 8:00 A. M. to 5:00 P. M., on Saturday, June 29, 1957, especially to provide an opportunity for persons in the county who might be affected by the June 30 deadline on disability to be able to file claims before the time expires.

This special service provided by the District Office is primarily for disabled persons, or persons in their behalf, and the deadline affects only those disabled persons who have themselves worked in employment, or self-employment, covered by Social Security for a period of not less than 5 years and who are unable to do any work at the present time due to a physical or mental disability that can be considered permanent.

Mr. Dinwiddie has explained that the disability program does not affect persons who became disabled after age 65 nor anyone who has not worked under Social Security for a period of 5 years. Further, Mr. Dinwiddie advises that the disability program affects only insured workers, and there are no provisions for dependents of disabled persons.

This notice, the manager said, is to be disregarded by those qualified persons who have already filed claims under the disability program.

Red Cross Needs Extra $375 at Once

An appeal for additional funds has been made to the people of the county this week by G. B. Buchanan, chairman of the Appomattox County Chapter, American Red Cross. In order to keep its vital programs going, the Chapter needs an additional $375.00, the chairman said. These programs include the important Blood Program, which is most beneficial to the people of the county. Contributions may be made directly to Mr. Buchanan.

Glendale 4-H Club

Glendale Community 4-H Club will meet July 5 at 7:30 P. M. at the Sherwell Community Center.
